SYNOPSIS:

On 09/28/14 at approximately 2145 hrs., 4 unknown suspects committed Armed Robbery by taking the victim's wallet and tablet at shotgun point. There are no known suspects or leads.

NARRATIVE:

On 09/28/14 at approximately 2145 hrs., I responded to an armed robbery at 600 S. Dobson Rd. Chandler, Arizona. Dispatch advised the reporting party/ victim, Joseph D. Ayodele (████████/86), stated he was just robbed by four black males, one carrying a shotgun. Joseph said the suspects arrived in a dark green, older model, dodge, quad cab or extended cab, pickup bearing a 2014 Arizona temporary license plate.

Officers began an area search for the vehicle. I drove to the address, 2121 W. Elgin St., dispatch had entered as the scene of the robbery. The stated location was not the correct location. By the time I arrived at the correct location, 600 S. Dobson Rd., Ofc. Curro #661 was already talking with Joseph. Please see Ofc. Curro's supplemental report for detail. Upon arrival I observed Joseph's black, 2014, Honda, Civic, bearing Arizona license plate, "BCJ9689," parked sideways in a parking spot. The parking lot was eliminated by several street lamps and accessible from Fairview St. A search of the parking lot did not reveal any cameras in the area.

I spoke to Ofc. Curro who said Joseph drove from the scene, to the Circle K, located at 1995 W. Chandler Blvd., just after the incident. Ofc. Curro said he met with Joseph at the Circle K and asked him to drive back to the scene. I walked up to Joseph, introduced myself and advised him I would be taking over this case from Ofc. Curro. It should be noted, at this point, I activated my Axon Flex point-of-view on-officer camera. Please see video for a detailed account of my interview with Joseph. The following is a brief synopsis of that interview.

Joseph told me he changes clothing for work in the parking lot. Joseph works at ██████████ ██████████, about 300 yards south of the parking lot. Joseph stated he does not feel comfortable changing into his work clothing in the ██████████ parking lot. Joseph said he had just drove from school and parked in this parking lot to change clothing only, before work.

ROBBERY

He said he was seated in his vehicle, just before the dark green pickup truck pulled in behind his vehicle. Joseph said his vehicle was parked facing south in a spot that faced a small block wall.

Joseph described the suspect vehicle as a dark green, older model, Dodge, quad cab or extended cab pick up truck, bearing a 2014 Arizona temporary license plate. I asked Joseph if there were any other distinguishing characteristics. Joseph did not mention any other distinguishing characteristics. Joseph said the pickup truck pulled in behind his vehicle, blocking him in his parking spot. He stated the suspect pickup was facing west as his vehicle faced south.

Joseph described the suspects. Suspect #1 with the shotgun, was the first suspect to exit the pick up from the rear seat, behind the driver. Suspect #1, with the shotgun was described as a black male, in his late teens to early twenties. He said the suspect #1 was between 5'07" to 6' and skinny. Joseph said suspect #1 wore a baseball style hat, white tshirt, jeans and wore a red bandana covering his face. Joseph said suspect #2 exited the front passenger seat of the pickup truck. Joseph described him as a black male, late teens to early twenties, 5'07" to 6', skinny between 180 to 190. Joseph said suspect #2 did not have any facial hair and he could not remember what he was wearing. Joseph could not accurately describe either of the other two suspects other then being black males.

I asked Joseph if any other suspects made any statements. Joseph said suspect #1, who exited the pickup behind the driver, came up to his rolled up driver side window and yelled, "Get out the car." Joseph stated he exited and raised his hands. Joseph stated suspect #1 pointed the shotgun at him and said, "Give me your wallet." Joseph said he handed over his wallet. Joseph stated suspect #2, who exited the pickup's front passenger seat, went through his vehicle searching for things to steal. Joseph said suspect #2 took a black cloth bag which contained Joseph's tablet. Joseph estimated the tablet as approximately \$200.00. Joseph said the suspects did not steal any other items from his vehicle, leaving his laptop computer lying on the passenger side floor board, in plain view.

Joseph said he believed the suspects must have been watching him for the past few days and figured he would be alone in the parking lot that evening. I asked Joseph if he believed the suspects had intended on stealing the vehicle. Joseph said he did not believe they wanted to steal the vehicle. The suspects got back into the pickup and left westbound on Fairview St.

ROBBERY

After speaking with my supervisor and Ofc. Curro, I walked back to Joseph and confronted him about his story. I told Joseph the motive for the suspects did not fit the area we were located. I asked Joseph if a more likely story could have been him buying or selling drugs to the suspects and the suspects ripped him of the drugs or money. Joseph paused for 9 seconds and stated, "No that's not the case." I asked Joseph if I could check his phone for text messages and emails. Joseph stated yes and handed me his phone. I searched his phone and noticed his "trash" box in his email was empty. I did not locate any incriminating emails or text messages. I also searched Joseph's vehicle and its surroundings. No obvious or usable evidence was located at the scene.

Joseph was given victim's rights form number "M661568" reference the armed robbery and left the scene to work.

There are no known suspects or leads at this time.

SUPPLEMENT

On 09/28/14 at approximately 2146 hours, I responded with several other officers to a report of an armed robbery that had just occurred in the parking lot at 600 S Dobson Rd. Chandler, AZ. Several officers arrived on scene prior to my arrival and began conducting area checks for the suspects. Dispatch advised via the radio that the victim had left the scene and was waiting for police contact at the Circle K located at 1995 W Chandler Blvd. Chandler, AZ. I met with the victim, Joseph Ayodele, at the Circle K. He advised me of the following.

I contacted Joseph outside of his vehicle, a black Honda sedan with Arizona plate BCJ9689. Joseph advised me that he had just been robbed at gun point in parking lot at the Chandler Regional Medical Center. I asked Joseph if he any further description of the suspects other than what he had provided to dispatch. Joseph advised he only got a good look at one of the suspects. He described the suspect as a black male in his late teens or early twenties, approximately 5'10", with a thin athletic build, wearing a white t-shirt, and blue jeans. He advised the suspect had robbed him while pointing a shotgun at him. He believed that there had been four suspects total. Two who had gotten out of the vehicle and two that remained inside the Dodge pickup truck that had pulled up to his vehicle before the robbery

occurred.

I asked Jospeh if he would return to the scene where the robbery occurred to point out objects to me and show me the exact location. Joseph agreed. I then followed Joseph back to the southwest parking lot at 600 S Dobson Rd. Chandler, AZ where he advised the robbery occurred. Jospeh advised me that he had been parked in this empty lot because he stops in the lot to change into his work clothes before going to work down the street at [REDACTED]. Joseph said he changes in the lot frequently before going to his work because he does not want his coworkers or anyone else to see him changing.

Ofc. Berner arrived on scene shortly after and assumed the investigation. See Ofc. Berner's initial report for further.

The first location was at the Sam's Club located at 700 N. 54th St. Chandler, Arizona. Joseph told me the credit card was charged for \$54.55. The second location was at a Walmart located at 800 E. South Ave. in Tempe. Joseph said the card was charged at an ATM inside for: \$190.46. Joseph was not clear on a date or time for either use at the time of the phone call.

Joseph told me he also located the serial number (#D025A0A024531RTX) of the stolen Tablet.

Later, I had records personal enter the Tablet into NCIC as stolen under NIC# A782407587.

This case is related to the following police investigations:

Chandler PD #2014-108169

Tempe PD # 2014-129944, 127175. Tempe PD arrested four persons: Cody Pete, Walter Kimble, Robert Booth and Tykel Hunter.

Chandler PD #20214-108169 occurred on September 30, 2014. On the morning of October 1, 2014 I spoke with Gilbert PD Detective Hartin and we linked her Gilbert case and that case. Later in the day I linked this case to the others. While away from work on October 3 and 4 I learned that Tempe PD had made an arrest that was potentially linked to the Chandler and Gilbert cases. In my absence, Gilbert PD Detective Hartin assisted. Upon my return to work the following week I received 4 discs from Detective Hartin.

The discs I received from Gilbert PD Detective Hartin have been impounded under this case number. When I received the discs they had markings on them as follow:

- 1- 10/6/14 Photo Dodge Durango
- 2- Audio interview Cody Pete
- 3- Booth/Kimble investigations 14-127175 Kittelson

4- 14-127175 Tykell Hunter

I viewed disc 1 and found it to have photos of a search warrant served by Tempe PD on the suspect green Dodge Durango. It included photos of items found within the Durango that potentially belonged to the victim in this case.

On October 10, 2014 at about 1025 hours I met the victim, Joseph Ayodele, in person at the South Mountain Community College campus to discuss this case. Joseph initiated conversation by telling me that he had looked at photos of Dodges on Google and had identified the suspect vehicle as a Durango, by the "front" of the vehicle.

I told Joseph that the police report notes he identified the suspect vehicle as a pickup and he frowned, telling me he had not called the suspect vehicle a pickup. Joseph explained that he referred to the suspect vehicle as a "4 door" and that was perhaps the confusion. He told me he was confident the suspects had been in a green Dodge Durango and not a pickup.

Joseph agreed to look at disc 1 I had received from Gilbert PD. Using my laptop I attempted to show Joseph the photos but struggled in getting the photos to load. Joseph offered to assist and was able to get the photos to load in "iphoto" on my laptop. I asked Joseph to look through the photos and tell me if anything looked relevant.

The first photo he commented on was #10 in iphoto and Joseph told me that was the guy who had the shotgun.

I then looked more closely at the photo and saw it was an identification card of one of the suspects arrested by Tempe PD. Joseph continued on telling me that photo #22 was his green and black Cricket charger and that photo #25 showed his Nike duffel bag and a black charger. Joseph also identified photo #40 as possibly showing his phone on the far right, his two Lifetime cards, a card with "Joseph" on it, his BofA card and his laundry card. Using the zoom feature we were able to see the phone Joseph was interested in was a "Verizon" and he explained that it was not his. Joseph also commented photos #52, 54 and 55 showed his cards.

Due to Joseph having seen the photo of the suspect as described above, I did not show him a photo lineup.

It is noteworthy that the actual disc 1 (impounded as evidence) has more photos than actually loaded in iphoto, including several that are blank (black). Therefore the jpeg numbers on the disc 1 did not correlate with the photo numbers in iphoto. While working with Joseph I did not notice this inconsistency. I identified this inconsistency and decided to burn a disc from iphoto for clarity sake. I later impounded that disc as well, describing it as the "photos shown to Joseph". The disc I burned from iphoto burned the exact same photos as I showed Joseph, but it labeled them with their original jpeg# from the Gilbert disc 1. Therefore, the disc of "photos shown to Joseph" do not have every photo the actual disc 1 does because it only took photos from the iphoto program.

What was photo #10 in iphoto is jpeg #18 on the disc of photos shown to Joseph.

What was photo #22 in iphoto is jpeg #30 on the disc of photos shown to Joseph.

What was photo #25 in iphoto is jpeg #33 on the disc of photos shown to Joseph.

What was photo #40 in iphoto is jpeg #48 on the disc of photos shown to Joseph.

What was photo #52 in iphoto is jpeg #60 on the disc of photos shown to Joseph.

What was photo #54 in iphoto is jpeg #62 on the disc of photos shown to Joseph.

What was photo #55 in iphoto is jpeg #63 on the disc of photos shown to Joseph.

Joseph also told me about his stolen credit cards being used by the suspects. He noted one was used at a Quick Trip on Mesa Drive in Mesa, and that his Wal-Mart card had been used at both a Wal-Mart and a Sam's Club. Through investigation I tracked the use of Joseph's card at the QuickTrip and determined it was he who had used the card; a difference in time zones on the card records had confused Joseph into thinking it had been used after the offense.

As to the use of the Wal-Mart card at the Tempe location located at Southern Avenue and Rural Road, I received information from a loss prevention agent. The card, ending in [REDACTED] had been used on September 29, 2014 at about 8pm. For greater detail on this event, see the attachment entitled "Walmart #5768". This sheet shows a timeline of events as determined by the loss prevention agent's review of the surveillance video. The surveillance video was later impounded under this report number.

As to the use of the Wal-Mart card at the Chandler Sam's club, refer to Chandler PD Detective Scotford's supplement. The surveillance video from this incident was also later impounded under this report number.

During my initial review of the surveillance from both the Wal-Mart and the Sam's Club, I cannot positively identify the suspects.

The four discs Gilbert PD Detective Hartin shared with me documented the interviews at Tempe PD. Chandler PD Detective Scotford and I have reviewed those audio recordings Tempe PD made of the suspects. A copy of those discs have been impounded under this report number. For greatest clarity, the audio recordings should be reviewed. I listened to what Gilbert PD labeled as disc 2, the interview of Cody Peete. I listened to disc 3 as to Walter Kimble and disc 4 as to Tykell Hunter. For summaries of their statements, see below. Detective Scotford listened to part of disc 3, as to Robert Booth. For a summary of Booth's statement, please refer to Detective Scotford's supplement.

Cody Pete told police, post Miranda, that was was with them in Chandler when they robbed a guy. Cody explained his involvement due to needing money to buy diapers. Cody admitted to holding the "burner", which he clarified was a "shotty" or a "shotgun". Cody explained they drove up on a guy who was in his vehicle. Cody noted he was wearing sandals, long pants, a muscle shirt or a jacket and a blue bandanna. Cody explained his brother was a West Side City Crip. Cody then admitted to his being in the back seat with Robert when the tall guy robbed the next guy. Cody noted the gun man had his finger on the trigger and that Cody was laughing during the robbery. Cody believed the items stolen from this victim included a phone and a wallet and they probably sold the phone.

It is apparent from listening to Cody Pete's statement that he had a role in the robberies committed against the victim in this case and the victim in Chandler PD #2014-108169.

Walter Kimble told police he is very close to Robert and is also friends with Cody. Walter did not want to talk about the gun found in the car. Walter was only the driver when the robberies happened. He described the robbery of the guy in the car in the parking lot with a wall in front of them. Walter was looking around to make sure no one was coming. One of the guys in the back (Cody or Blood) had the shotgun and had a rag on his face.

Walter is not sure who held the gun. Walter had followed the victim because the guy had cut him off in traffic; he intended to fight him but then the robbery happened. The victim did not have any money but they took other things from him.

Walter also remembered the guy walking a dog. Cody or Blood in the backseat just rolled the window down and committed the robbery. Walter did not say anything to the victim and looked away so the victim couldn't see his face. They wanted money from the guy but only got a phone. They later threw the phone. Walter then talked about a crime he participated in in Tempe.

Tykell Hunter told police he is friends with Walter and Robert. Tykell knows a "Cody" ULN from junior high but he is not a cousin. Tykell was with Walter and Robert playing dice about two weeks ago. "YG" was also there at the dice game. Walter and Robert were in a green "van type" vehicle. Tykell denied involvement in any offenses.

As to the illegal use of victim Joseph Ayodele's credit card, this investigation is ongoing.

As to the robberies described in this report number and in Chandler PD #2014-108169, this case is being submitted for review to the same Deputy County Attorney that is handling the Tempe PD and Gilbert PD charges.

CASE AGENT: I Kaminsky #326

NARRATIVE:

On Wednesday October 15, 2014 I was assisting Detective Kaminsky on an investigation related to two separate armed robbery incidents (14-107335 and 14-108169). Kaminsky requested I watch an interview of Robert Booth who was being interviewed by Tempe and Gilbert Police detectives. Booth had been read his juvenile Miranda warnings at about 10:42 PM on Saturday October 4, 2014. He indicated he understood those and wished to speak to police. Below is a summary of the interview as it pertains to the cases which did or may have occurred in Chandler. Please refer to the video recording for the interview in its entirety.

INTERVIEW: Robert Booth

Booth told investigators he had been with Cody (no last name provided), Walter (no last name provided), and a subject only referred to as "Walter's friend". Booth informed the investigators he was present for a robbery which occurred in a parking lot. He was not sure where this was only that it had occurred in a parking lot.

According to Booth, Walter was the driver of their vehicle, Booth was the front seat passenger, Cody and Walter's friend were in the back. On seeing the victim in the parking lot, all but Booth exited the vehicle. Walter had gotten out of the driver seat without putting the vehicle in park. Booth had to place his foot on the brake and place the vehicle in park. He further stated Cody was holding the firearm and one of the three asked the victim

for money. The victim only claimed he had a wallet and a cell phone. They took these and left. This incident matches the description of that occurred during GO# 2014-107335 in Chandler. He later told investigators this was the first of three incidents that occurred on that day.

Additionally Booth mentioned Walter had provided everyone in the vehicle with proceeds from their activities. Booth received \$100 which he returned to Walter the following day as he did not feel right about what had occurred.

Later in the interview Booth explained to investigators about a time when the vehicle they were in was running out of gas and they were lost in an unknown neighborhood. As they drove Walter's friend saw a person walking a dog. Walter's friend said, "I'm gonna get him". Walter responded by asking who he was talking about. The friend then stated, "That nigga over there". Walter's friend was the only one to exit the vehicle at that time and did so with a shotgun. The friend was able to gain a cell phone which Booth believes was gotten rid of. This incident is possibly related to Chandler GO# 2014-108169.

END OF SUMMARY

Later on October 15, 2014 I responded to the Sam's Club located at 700 N 54th St, Chandler at Kaminsky's request. I made contact with Chris Bovert in their asset protection unit. This was able to provide me with a transaction summary for a fuel purchase on September 29, 2014. This transaction was processed with the stolen Wal Mart credit card (14-107335) in the amount of \$66.55. \$60.55 was a fuel purchase and \$6.00 was for a car wash. Video surveillance was also seized. I briefly saw some of the video and the car that was washed appeared to be a Dodge Charger. It should be noted I did not see the entire video. I provided a copy of these items to Kaminsky and impounded the originals. This ended my involvement in this investigation for the time.

On 12/17/14, I began assisting Detective Kaminsky with attempting to identify the two suspects, primarily the female, from the surveillance video that was obtained as a result of the fraudulent use of the credit card belonging to Joseph Ayodele. I viewed the video and produced the best still images of the suspects from both the Sam's Club in Chandler and the Walmart in Tempe. The quality of the surveillance video is low, making identification difficult. Using investigative databases, I began to search for relatives and associates of the four main suspects in this case. I searched for people who matched broad description based on approximate age, height, weight, hairstyle, and complexion. Based upon my research I found many female and male associates who fit within these parameters. When doing a comparison of booking photos and MVD photos with the surveillance video, I was unable to confidently identify any one person based upon the photo comparisons alone. In the surveillance video from Sam's club, the female is clearly driving a dark gray Dodge Charger with the body style commonly used from 2006-2010. I attempted to locate any connections between the suspects and their associates and family members and was unable to find any associations to any Dodge Chargers. Detective Kaminsky and myself also drove by the suspect's addresses and the addresses of several of the probable suspects to attempt to locate the vehicle but were unable to locate it.

Between January 5th and January 13th, I conducted brief interviews with Walter Kimble, Tykel Hunter, and Cody Pete, with Detective Kaminsky observing. These interviews were recorded with audio visual equipment and copies of the interviews were later booked into property as evidence. I attempted to see if they possibly knew or were willing to identify the suspects by having them view still images of the surveillance video. None of the suspects claimed to know who the suspects were. At this point, without further corroborating testimony or other facts, there is not enough information to narrow down any of the probable suspects. Without further facts

B. PROBABLE CAUSE STATEMENT		
1. In detail, summarize the facts which establish probable cause for arrest:		
<p>On 09-28-2014 an adult male victim was in his parked vehicle at 600 S. Dobson Rd. when he was robbed of his wallet, cell phone and tablet at gun point. Victim reported occupants of a dark green Dodge Durango pulling in behind him and approaching his vehicle, ordering him out by pointing a shotgun at him. On 09-30-2014 a juvenile male was walking his dog in a residential neighborhood when he was robbed at (long) gun point of his cellular telephone. The victim in this case described a dark green SUV driving by him, turn back and then pull up next to him after which one of the occupants pointed the gun at him to complete the robbery. Through investigation these two cases were linked by MO and suspect vehicle/suspect description to a case in Gilbert where greater details on the SUV were obtained. Several days later Tempe PD stopped a dark green Dodge Durango and made arrests on a kidnap/robbery from that city involving that vehicle and the occupants. Tempe and Gilbert PD interviewed the occupants who made admissions to both of these crimes. They provided information that assisted police in identifying Tykel Hunter who was by then jailed on another matter. The information provided included a nickname, a first name, physical description and a specific tattoo. The three occupants of the Durango all admitted to their role in the crime as well as describing Tykel Hunter's role. LE interviewed Tykel Hunter who denied involvement.</p>
