ROBBERY

State of Arizona, County of Maricopa Release Questionnaire Supplemental - Prop 100 Questions

Defendant's Name: Tykel Hunter DOB: 12-12-1995 Case Number: 2014-107335

Aliases: _____ Booking Number: _____

1. Is the alleged offense a class 1, 2, 3, or 4 felony or a violation of A.R.S. 28-1383? Yes No Unknown

If yes, as to guilt, proof is evident or presumption is great for the following reason. Explain in detail (e.g. arresting officer or other law enforcement officers witnessed offense, physical evidence directly connects defendant to offense, multiple eye witnesses, defendant admissions, victim statements, nature of injuries, incriminating photographs, audio, visual, or computer evidence, defendant attempted to flee or resist arrest).

On 09-28-2014 an adult male victim was in his parked vehicle at 600 S. Dobson Rd. when he was robbed of his wallet, cell phone and tablet at gun point. Victim reported occupants of a dark green Dodge Durango pulling up behind him and approaching his vehicle, ordering him out by pointing a shotgun at him. On 09-30-2014 a juvenile male was walking his dog in a residential neighborhood when he was robbed at (long) gun point of his cellular telephone. The victim in this case described a dark green SUV drive by him, turn back and then pull up next to him after which one of the occupants pointed the gun at him to complete the robbery. Through investigation these two cases were linked by MO and suspect vehicle/suspect description to a case in Gilbert where greater details on the SUV were obtained. Several days later Tempe PD stopped a dark green Dodge Durango and made arrests on a kidnap/robbery from that city involving that vehicle and the occupants. Tempe and Gilbert PD interviewed the occupants who made admissions to both of these crimes. They provided information that assisted police in identifying Tykel Hunter who was by then jailed on another matter. The information provided included a nickname, a first name, physical description and a specific tattoo. The three occupants of the Durango all admitted to their role in the crime as well as describing Tykel Hunter's role. LE interviewed Tykel Hunter who denied involvement.

2. Has the person entered or remained in the United States illegally? Yes No Unknown

If yes, as to guilt, proof is evident or presumption is great for the following reason. Explain in detail (e.g. arresting officer or other law enforcement officers witnessed offense, physical evidence directly connects defendant to offense, multiple eye witnesses, defendant admissions, victim statements, nature of injuries, incriminating photographs, audio, visual, or computer evidence, defendant attempted to flee or resist arrest).

I certify that the information presented is true to the best of my knowledge.

ROBBERY

State of Arizona, County of Maricopa Release Questionnaire Supplemental - Prop 100 Questions

Defendant's Name: Cody Pete DOB: 1996 Case Number: 2014-107335

Aliases: _____ Booking Number: _____

1. Is the alleged offense a class 1, 2, 3, or 4 felony or a violation of A.R.S. 28-1383? Yes No Unknown

If yes, as to guilt, proof is evident or presumption is great for the following reason. Explain in detail (e.g. arresting officer or other law enforcement officers witnessed offense, physical evidence directly connects defendant to offense, multiple eye witnesses, defendant admissions, victim statements, nature of injuries, incriminating photographs, audio, visual, or computer evidence, defendant attempted to flee or resist arrest).

On 09-28-2014 an adult male victim was in his parked vehicle at 600 S. Dobson Rd. when he was robbed of his wallet, cell phone and tablet at gun point. Victim reported occupants of a dark green Dodge Durango pulling in behind him and approaching his vehicle, ordering him out by pointing a shotgun at him. On 09-30-2014 a juvenile male was walking to school in a residential neighborhood when he was robbed at (long) gun point of his cellular telephone. The victim in this case described a dark green SUV drive by him, turn back and pull up next to him after which one of the occupants pointed the gun at him to complete the robbery. Through investigation these two cases were linked by MO and suspect vehicle/suspect description to a case in Gilbert where greater details on the SUV were obtained. Several days later Tempe PD stopped a dark green Dodge Durango and made arrests on a kidnap/robbery from that city involving that vehicle and the occupants. Tempe and Gilbert PD interviewed Cody Pete who admitted being present in the SUV for both robberies. He admitted to holding the shotgun in the first robbery and to being in the backseat of the SUV, laughing, when his co-defendant robbed the juvenile walking the dog.

2. Has the person entered or remained in the United States illegally? Yes No Unknown

If yes, as to guilt, proof is evident or presumption is great for the following reason. Explain in detail (e.g. arresting officer or other law enforcement officers witnessed offense, physical evidence directly connects defendant to offense, multiple eye witnesses, defendant admissions, victim statements, nature of injuries, incriminating photographs, audio, visual, or computer evidence, defendant attempted to flee or resist arrest).

I certify that the information presented is true to the best of my knowledge.
